Lola and Marina V.

I've always enjoyed the look and feel of a beautiful pair of boobs. I also love the look and feel of a great ass, long legs, and a pretty face. Or just about any aspect of a beautiful woman. I have never been obsessed with a single body part in the way that some men are. Well, that was up until I got a copy of *Club Exposed (Club Specials #369)* and saw pictorial featuring Lola and Marina. While, what amazing pairs these two! The minute I saw Marina's perfect rack was like I was in a trance and all I could think about was those amazing boobs. Then Lola's appeared and they were a perfect contrast to Marina's. But I'm not so obsessed with these two's beautiful boobs, that I can't see that the rest of them is also amazing! Their gorgeous faces and incredible bodies are the perfect finishing touch! If I have one wish – it would be to bless me with another great pictorial with these two. That, my friends, would be the ultimate perfect pairing.

I saw your last issue on the newsstand and had to pick it up. I'm an American, from Virginia, and I had lived in London for a few years after graduating from Oxford. I had always loved the British so I convinced myself to try to go to college there. Well, I did and met many a sweet bird that invited me into her nest. They loved us Yankees, even more so with a slight Southern drawl. Of course it didn't hurt that I am full eight inches long. When I initially thumbed through the issue I got so excited seeing all these school uniformed gals getting it on. One of the layouts especially reminded me of two birds I hooked up with. It's interesting over there. The girls are shy when one on one, but two or more together and they are a force to be reckoned with. They lose their inhibitions where as trying to get just one in bed is much harder. So, if you read between the lines, I bedded two girls at once more often than just one! Gotta love the Brits!!!

I was warming up in front of the fireplace when Sascha comes in and starts kissing and rubbing on me. I went down on him and we started fucking right there. No time for the bedroom, we were both so horny that we couldn't wait. It was really hot and sexy and I loved it.

March into Sex Madness

It didn't take long for Kandie and me to become good friends. Friends with benefits. I was never a fan of college football, or any football, until she invited me in. And I came.

Kandie and I met a couple years ago at a large corporate meeting in New Orleans. She had only been with the company for six months and was a little scared at her new job. But she learned quickly and fit into her job nicely, and so recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. She was in charge of talent and as a recruiter she'd meet all sorts of people and interview them for positions. This is quite the same as Human Resources, but we don't call it that. She had been with her boyfriend for three years and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. It turns out that they purchased a large townhouse in the same complex I live in. I didn't know this until I saw her one day at the clubroom.

She was setting up a small party to watch the college basketball playoffs. I happened to be walking through to go to the workout room. She was in a short flowery summer dress that showed off her long legs. It also framed her bust nicely and I noticed how full it was. At the office, the clothes we must wear are not very

flattering and she's often in a suit coat. She looked so hot today. I had a crush on her right away. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls to Houston and so she invited some friends to come by and watch the games with her, hinting that she didn't like being alone.

She invited me to join in. The games were on Friday, Saturday and Sunday, and she had reserved the clubroom for those three days. I said I'd love to, even though I wasn't a big basketball fan. She said she wasn't either, but she wanted to show her husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to a Rockets play-off game while he was there. We talked for a few more minutes and I headed off to do my workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then went on with her setup.

The next day I went to the clubhouse at three, a little before the guests were to arrive. She said they were going to be as much as an hour late since Friday is still a workday, so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told her that I didn't, that I was gay and she seemed surprised. But she didn't have any apprehensions, giving me an approving smile. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and I felt like she was looking at me differently. Soon, my sexuality was the topic she'd often bring up. Every time she did, I could see that she was enjoying it. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

Her guests started to arrive around 4:30, and by 5 they were all there. Three couples, Kandie and me. We watched the games and ate and drank and two of the three teams we wanted, won. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against me. Kandie and I cleaned up a little and headed back to our homes about 10 that first night. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about eight and the mess was a little bigger. Again, I stayed and helped her tidy up and realized that I was getting more attracted to her. But she was married and her experimenting days were behind her. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes that night and shared a long hug as our paths diverged.

Sunday came around and only two of the three couples showed up. While the games were exciting, we were all losing interest and after the second game, the two couples went home. Kandie and I cleaned up once again, but this time it was easy. I held a big trash bag open and she slid all the garbage into it and we were done in a half hour. Since it was still early, Kandie invited me to her home for a glass of wine. Initially I refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of a nice merlot. I was very sure that she was checking my body as I saw her eyes moving up and down. She sat down next to me and we spoke about the games, the couples and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and didn't realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the reddish liquid all over my me. It glistened on my wet breasts, belly and thighs.

When Kandie knocked on the door, it opened slightly. She shoved a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. As she walked in, I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

Kandie touched my neck and drew herself in closer. Then she ran a finger all

over my neck and chest. Then she put her arm around me and pulled me in to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I could tell through her eyes that she wanted me and hoped I would give myself to her. I kissed her in return. We kissed deeply. After a short moment, we let go. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. Without an answer, she kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt. I looked at her and smiled. She slowly pushed me towards the sink counter and made me sit on it. It was obvious she wanted to be in control, and I liked being controlled.

Her hands were warm and I could feel them caressing my shoulders. Our eyes and lips were finally at the same level. Then she kissed my neck and started going down. When she reached my cleavage, she pulled down my bra a little and kissed me between my breasts. Then she started licking the remaining wine drops on my boobs, undoing my bra as she did. She leaned down a little more and kissed my breasts and then my nipples. And then sucked on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. Then she got on her knees and licked my leg and I played with her hair. She traced the trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She sensed that I liked it. I love it when women nibble on me.

Her head moved down between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. She then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. I tried to lend a

hand but she gently pushed me back. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine. Finally put her finger inside. Those fingers were working inside me like a little orgasm machines. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then got back to work. She slowly spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She kissed my nape and worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently and then a little harder. She licked my cheeks, my crack and kissed my rosebud. She gently tongued inside hole and slid her finger inside. At first it hurt, but slowly loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked, especially inside my pussy. She was building me up to a big climax.

Then I came so hard that I screamed loudly and my juices squirted on her face. She spanked my ass hard one last time and then made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I kissed her again deeply. Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me. Her controlling body on top of mine. Our sweats mingling together. Her head on my breasts, her stomach against mine, and her waist between my legs. As she slept on me, I slowly fell asleep myself, holding her tight against me.

I'm ready to put the "sexy chit chat" aside and really show him what I'm made of. Though slim, I could tell he had a big cock. They always say "the skinny dudes have the biggest dicks." Well, I can tell you that's the truth. Do you think he will like my boobs?.

We slept in on a lazy, rainy Sunday. We woke up at noon, had some cereal and went right back to bed. But I was horny and took out my fave toy. I couldn't wait for him anymore. A couple of hours later he woke up horny too and of course on thing lead to another. Basically, we fucked, we slept, woke up, fucked again all day long.

Sometimes I think MILFs in a huge misnomer.

*Who, in their right mind, would ask a woman they are fucking or about to fuck, if they were a mother?
I'm sure that would be a dealbreaker.*

I was up at six as usual to go workout before the gym got too crowded. I ran through my routine in the usual time. I do my weight sets, repeat and do them again. I try not to pay too much attention to the others in the club. They are too distracting. I was accustomed to getting attention from the women in the club and I admit I've hooked up with a few of them, but usually I try to stay away and focus on my workout. I come almost every day just to stay buffed.

Today I glance down the line of treadmills and spot these two really good looking ladies. They must be new because I haven't seen them here before. I'd come to learn later that one's name is Lara and her friend is Chasie. They spot me pushing weights around. Although Lara's body was naturally firm

and beautiful. Chasie noticed me as well. She was a little taller than Lara but just as striking. I thought these two were lesbian friends because they sure seemed friendly with each other. Unknown to me, one was married and the other was divorced. On my way out, I noticed the two were watching me from the treadmills. I give them a passing glance and see them gesturing me to come over. I stop momentarily and change direction back to the treadmills and my (I hope) adventure. The conversation with them was short, I exchanged numbers with Chasie, since Lara was in a relationship, and they agreed to meet up later.

Chasie and I would have dinner that night, then we'd go dancing. The dinner went by fast as Chasie dropped all the appropriate signals and I quickly understood I was going to fuck her. Chasie seemed quite attracted to me that when I moved in to kiss her after dinner, it sparked an immediate make out session that prompted us to skip the club and go straight to a hotel. I paid for the room while Chasie waited in the car. She sent an urgent text to Lara with the address. As soon as the room door was opened, Chasie jumped into my arms, wrapping her long legs around my waist, and her arms around my neck.

I slowly let her down, and as soon as her feet touched, she ripped my shirt open. As my hands slid up her summer dress, she began to leak juices on her panties. With a big smile, I pulled her panties down. She grabbed one of my hands and placed it on her pussy. As I slipped two of fingers inside, she let out a moan as they went in and bit her lip. I carried her over to the bed and laid her down gently. Chasie watched as I took off my pants and stood between her inviting legs. I slipped out of my boxers and stepped forward.

Just then her cell phone rang. Chasie looked at me and said she absolutely had to take the call. It was Lara. They talked for a very brief moment and then hung up. Chasie set the phone on the night stand and refocused on my cock. She grabbed it, pulled me over and guided it into her waiting mouth. At that moment, Lara arrived and knocked on the door. I seemed surprised when she walked in. I must admit I was not expecting her but quickly agreed to her joining when she and Chasie started kissing and touching. I sat on the edge of the bed watching these two beautiful women licking each other.

Chasie kept slapping Lara's ass as they were sixty-nining. Watching them my dick was at heightened arousal with every slap of Lara's perfect ass. They had decided to put on a show for me as Chasie laid on her stomach in between Lara's legs and begin to eat her out. As she plunged her tongue deeper into Lara's now leaking hole, she made her ass cheeks jump and clap in front of me. I couldn't control myself anymore and had to join in. I approached Chasie's inviting pussy from behind and slowly fed my cock into it while she continued to tongue Lara's pussy. Chasie felt me entering her but Lara muffled her scream by grabbing the back of her head and forcing her face deeper into her pussy.

With two hands gripping Chasie's ass, I was surprised by the tightness of the vagina I was fucking. I gained my composure and slowly starting to push my cock deeper into her. Her pussy was tight as I continued fucking her and watching Lara slurp up anything she could. Chasie's pussy squeezed me tighter and I responded by pushing into her harder, pounding my cock into her ass cheeks.

Lara could hear the loud clapping of our bodies along with Chasie's tongue between her legs and it made her orgasm hard. She arched her back and squirted in Chasie's face. Eyes closed, Chasie felt the spray on her lips and nose and immediately used her tongue to clean Lara's juices. I leaned back, grabbing Chasie's hips and forcing every inch of my cock inside her. She let out a loud moan before Lara pushed her face back into her pussy and started to fuck her tongue. Chasie was now creaming all over the bed and her wetness encouraged me to push my cock even harder inside her.

I grabbed her long blonde hair, wrapping it around my hand and pulling

Chasie unable to concentrate on anything but my cock poking her insides, stopped tonguing Lara and braced herself as her whole body shivered on my cock.

her head back. I rode her hard, slapping her ass from time to time. Now Chasie unable to concentrate on anything but my cock poking her insides, stopped tonguing Lara and braced herself as her whole body shivered on my cock. I knew she was coming as I kept pumping hard trying to outlast her. Chasie finally came squirming and buckling, her sweaty body sliding all over Lara's underneath her. As Chasie lay shuddering with my cock still inside her, Lara moved behind me and began to lick my balls from between my legs. She held on to my cock as it moved in and out of Chasie. Chasie collapsed in exhaustion, sliding off my cock with a sloppy plop. Her pussy lay wide open as she caught her breath and licked her own juices from her fingers.

Chasie, who had finally recovered from her shivers, slapped her on the ass and began licking her and me. I lifted Lara up and down on my cock in a slow rhythm. She put her arms around my neck and whispered in my ear to give her a goof fucking. I pumped her harder using one hand to lift her by the ass and the other to keep Chasie's head positioned on my balls as I went in and out of Lara. Finally the effects of Lara's whispering and the grip of her vagina along with the ferocity of Chasie's sucking my balls forced me to reach my breaking point. My knees jerked as I let out a monstrous groan. Chasie grabs my cock and pulls it out of Lara's pussy and right into her mouth taking my full load filling her oral cavity with it. As her mouth filled with hot cum, I held Lara high so she could also get the drips from Lara's soaked pussy.

I gently laid Lara on the bed and Chasie immediately went over and started tongue kissing her. They licked each other mouths and faces and the sound of that and their girly noises made me hard again. I decided to thrust my cock between their mouths as they kissed and they obliged by licking it clean. I was at the gym the next day but I did not see them there. Perhaps they were recovering in each other's arms?

I could fuck this guy all day and night. He sure knows how to please a woman. I love feeling his hard cock pressing against me while our tongues dance. The way he nibbles my nipples in between kisses is pure magic. I can't get enough of his soft, warm tongue teasing my inner thighs. But for now, his cock will do.
